INMATE MARRIAGE

I. GENERAL

This Alabama Department of Corrections (ADOC) Administrative Regulation (AR) establishes the responsibilities, policies, and procedures for inmate marriages.

II. POLICY

It is the policy of the ADOC to allow an inmate to marry subject to the laws of the State of Alabama, county and local requirements, and the ADOC Administrative Regulations while under the supervision of the ADOC.

III. DEFINITION(S) AND ACRONYM(S)

A. Chaplain (Institutional or Volunteer): An individual endorsed or ordained by their own religious tradition. The Chaplain plans, directs, and coordinates religious activities to accommodate the needs of the inmate population and to facilitate the institutional religious needs.

B. Common Law Marriage: The Alabama courts recognize four elements for the existence of a valid common law marriage:

1. Capacity (age, sanity, not married to anyone else, etc.).
2. Present agreement or mutual consent to enter the marriage relationship, permanent and exclusive of all others.
3. Public recognition of the existence of the marriage.
4. Cohabitation or mutual assumption openly of marital duties (in other words, have the parties held themselves out as husband and wife).
C. **Marriage Application Packet:** This consists of ADOC Form 407-A, *Marriage Request*, ADOC Form 407-B, *Marriage Ceremony Request*, and supporting documentation to include all legal documents validating eligibility to marry (such as, but not limited to, divorce papers and death certificates).

D. **Marriage:** A sacred, solemnized covenant between two parties when the legal capacity and consent of both parties is present, and which is recognized by Alabama state law as a civil contract.

IV. **RESPONSIBILITIES**

A. The Associate Commissioner of Plans and Programs is responsible for reviewing disapproved inmate marriage requests to ensure compliance with ADOC policies and procedures.

B. The Warden is responsible for:

1. Developing institutional Standard Operating Procedures (SOPs), as necessary, for the implementation of AR 407, *Inmate Marriages*.
2. Reviewing the marriage application packet submitted by the Chaplain.
3. Rendering a decision on the inmate marriage application packet.
4. Submitting disapproved inmate marriage requests to the Associate Commissioner of Plans and Programs.

C. The Chaplain is responsible for:

1. Verifying the inmate’s marital status through inmate records.

2. Intended spouse and solemnizing official shall dress in compliance with AR 303, Visitation.
